Sir,

With reference to your docket No.977/Muz.192-14-2 dated 14th November 1914, forwarding for report the petition of Kodandaramachar, -- archak of the Sri Kodandaramaswami temple at Vesavantapur in the Malur Taluk, praying that the income of the villages endowed to the temple may be handed over to him, after meeting the cost of the establishment and other charges of the temple and that his pay be suitably increased in view of the present dearness of provisions etc, I have the honor to forward herewith the statement showing the income realised from the villages, amount of expenditure incurred and the amount credited to the funds of the institution from the year 1904-05 to the end of 1913-14 received from the Amildar. It will be seen therefrom that there has been only an --- annual increase of Rs.50 in the revenue from the villages.

2. Government have in their proceedings No.1882-3/Muz. F. 185-11-4 dated 12th February 1912 sanctioned a modified scale of expenditure to meet the expenses of the temple. A sum of Rs.60 was provided for the --- Rathotsavam expenses, which amount is quite inadequate for conducting the ceremonies in connection with the car festivities and santarpane during the occasion owing to the costliness of the provisions etc. The archak is granted a remuneration of Rs.30/- per annum in accordance with the sanctioned scale. He has not only to manage the affairs of the inam villages

endowed to the temple, but also to conduct regular services in the temple.

3. As has already been reported in this office letter No.2204/99 dated 19th September 1911 regarding the increase of remuneration to the petitioner for rendering service in the temple and the management of the inam villages, I think it reasonable that the allotment of Rs.60/- for pathotsavam expenses may be increased to Rs.90/- and that the archak's allowances be enhanced to Rs.8/ per mensem. I request that sanction of Government may kindly be obtained to my proposal, the expenditure being met from the income of the villages endowed to the temple.

4. The vernacular file of correspondence ending with the Malur Sub Division Officer's Medi No.445 dated 11th September 1915 is herewith submitted for reference.
